

Lab Testing will be available for selected lab services via JVHL, Quest , Beaumont Health System, and Henry Ford Health System.

- JVHL: Beaumont Health Facilities and Henry Ford Health System facilities will be up and running with testing services by next week.
- Quest: Lab services are available and currently able to accept testing of COVID-19. May request testing through their online portal or their customer service hotline 1 (866) 697-8378. Please note, there currently is no quantity limit of requirement of tests within appropriate reason.
- Beaumont Health System: All affiliated Beaumont hospitals have implemented curbside screening for select individuals who show appropriate signs and relations to COVID-19. All testing is being done in-house at Beaumont lab facilities. For specified hours you can visit <http://www.beaumontlaboratory.com/>.
- Henry Ford Health System: All affiliated Henry Ford hospitals will be rolling out curbside screening for screening applicable individuals and providing in-house testing for faster results. Curbside screening is available at Henry Ford Hospital – Detroit, Troy, & Canton. Visit www.henryford.com for details.
